Three main sections for each county: applications, landholders' holding books, and court rolls. Example:

How to find them in the NLS catalogue

**Login** > Go to the Main Catalogue > Advanced search > Select Title contains and type Report by the Crofters Commission as to their proceedings Find the year you want and request that volume.

Available online too through (Proquest) **UK Parliamentary Papers**

<https://parlipapers.proquest.com/parlipapers> Many institutions have a subscription or you can access through the National Library of Scotland if you are a member and living in Scotland.

To search either search the NLS catalogue as above or

**Login** > Go to eResources > Select UK Parliamentary Papers > Advanced search > in Title field type Report by the Crofters Commission as to their proceedings

You should get the reports up to and including the year 1911 (actually Dec 1910-Dec 1911). There are other ways to find the reports but this works for me.
